## New Types of Service for Discharges W/O Visits and Video Visits

1. Video Visits - For SN, PT, OT, SLP, and MSW only. These contact types will have a new type of service of "Telehealth Video." This is something CMS is now requiring for Medicare patients.

2. For OASIS Discharge **without** Visit contact types, there is a new type of service of "Telehealth Phone" for when these visits are completed over the phone.

PT OASIS Discharge w/o Visit (6/26/2023) - Admin

Type of service: PT Telehealth Phone (G0321)

PT Telehealth Phone (G0321) Visit Not Billable Contact Made in Error

**Transit**

The Time/Charges/POS form group is under "Add Forms" for these Discharge Without Visit contact types. This is only required for Medicare patients receiving skilled care, so the type of service is not available in the Non-OASIS visits.
