# Web Login Page

The screenshot shows a web browser window with the URL `tcgchex.elogiclearning.com`. The browser's address bar and tabs are visible at the top. The main content area features a large, colorful illustration centered around a tablet displaying the **CHEX eLearning by Corridor** logo. The illustration includes a yellow pencil with the word **EDUCATION** written on it, a glowing lightbulb, a stack of books, a graduation cap, a hand pointing at the tablet, and various geometric shapes and symbols like a cube, a sphere, and a leaf. The background is a light gray with a subtle grid pattern.
