

***6/6/17 “Prepare for Thousands of Code Changes Coming Oct. 1”***

## **Board of Medical Specialty Coding and Compliance (BMSC)**

### **Description of BMSC certification**

The **Board of Medical Specialty Coding and Compliance** is the premier provider of specialty medical coding certification, education and training for medical coders, clinicians and compliance professionals across the home health, physician and compliance fields. BMSC is dedicated to creating and advocating a career ladder for medical professionals through multiple layers of coding and compliance education, certification and training. For specific information on BMSC, please visit <http://ahcc.decisionhealth.com/>

### **How to receive your continuing education certificate *for the on-demand program***

To obtain a certificate of completion in order to document your continuing education activities for BMSC certification, you must participate in the full program (typically 90 or 120 minutes) and complete the online evaluation by going to:

<http://app.keysurvey.com/f/1141193/5eca/>

### **Please note:**

To be eligible for BMSC continuing education credits associated with this activity, you will have 14 days from the date of this live program to complete the evaluation in order to receive your certificate of completion. After 14 days, the evaluation for this activity will be closed. A link to your certificate will be emailed to you immediately following your successful completion of the online evaluation.

***Ability to claim credits for this webinar expires on 06/06/18.***

If you have questions regarding this product or activity, please contact our customer service department at 800-650-6787.
