

Medication Entry in Remote Client Tip Sheet

To add a Medication navigate to the Medication activity and Select "New"

Enter the Medication in the search.

What do I do if the desired Medication dose not return in the search?

If the desired medication does not return in the search, tap the search icon, enter the med and try adding more or less details in your search (ex- aspirin 81)

What if I still don't see the medication I am searching?
