 Please charge my credit card:
 MasterCard Visa AMEX Discover

Card Number _____

Name on card _____

Signature _____ Exp. _____

Please make us one of the charities you support.

When you choose us as one of your charities to support, you send a compelling message to the larger community. After all, philanthropy is more than just donating to charity; philanthropy is having a strong connection to the organization being supported. Philanthropy is believing in a cause and investing in its continued growth and improvement.

Other donors and foundations provide greater financial support to organizations with employees that value the mission and have pride in the work they do. This is measured by the staff's commitment to participating in employee giving.

Every gift counts, no matter the amount

"I wasn't sure how my small contribution would really make a difference. When I heard that employee giving would encourage the support of foundations and major donors, I realized that my gift would be even more than the dollar amount I contribute."

— Ysaura Taveras, HHVNA

"Giving to our agency, I can see the difference it makes in the lives of people."

— Michelle Pare, MVHH

Employee Philanthropy Program

Home Health VNA
Merrimack Valley Hospice
HomeCare, Inc.

What is the Employee Philanthropy Program?

“Doorways to Compassionate Giving” is an employee program that involves our staff in the philanthropic support of our not-for-profit agencies. It is designed to match the generosity and compassion of our staff with meaningful purpose.

We bring our care to the doorways of our patients in the many communities we serve. When we open the door, we bring expertise, compassion and a desire to heal and help. “Doorways to Compassionate Giving” allows our staff to make meaningful donations to their own organization to continue a mission they are committed to in their work.

We are a charity.

Home Health VNA, Merrimack Valley Hospice and HomeCare, Inc. are all not-for-profit agencies affiliated with the Home Health Foundation. We are a charity like the March of Dimes, American Cancer Society and MSPCA. The work we do provides care to people at home, where they can stay in a comfortable setting and have their needs met.

We are a charity that puts nearly every dollar back into helping our patients and helping you to provide the care to those patients. A donation to one of our agencies makes a direct impact on the local community, your friends and family, in a way that is different from many national charitable causes. And you, as an employee, can see first-hand the results of those donations at work.

“I feel confident when giving to my agency that the funds will go directly to services, equipment, employee support and such. One area I truly respect is our agency’s ability to provide free care on a limited basis to those in need.” – Dixie Kulik, HomeCare, Inc.

It helps the people you help.

By giving even a small donation, you are providing care to someone with a serious illness, helping someone recover from surgery and regain independence, providing comfort for someone who is nearing end of life, or helping a family cope with the loss of a loved one. Donations also increase our ability to continue to stay up to date with technology, programming and training that is needed for our staff to provide quality care.

How will my donation be used?

You may designate your gift to benefit the **Compassionate Journey: A Campaign for Merrimack Valley Hospice House** or to the agency of your choice. The Compassionate Journey campaign supports the expansion of the Hospice House and related services for our patients and their loved ones. For more information about this time-sensitive opportunity, please contact External Relations.

For any designation, you can be sure that your dollars will be put to work to help deliver the best care possible. Donations support things like charity care for a patient who is uninsured, new technology for patient care, or coping programs for a child, parent or sibling. Supporting our agencies strengthens the organization and our commitment to the community.

Whether you choose the campaign for Merrimack Valley Hospice House, Home Health VNA, Merrimack Valley Hospice or HomeCare, Inc., you can be confident that your donation will have a direct impact on the people you care for and the job you do.

How do I sign up?

Return the completed form in this brochure to External Relations, Home Health Foundation, 360 Merrimack Street, Bldg. 9, Lawrence, MA 01843. You may sign up at any time throughout the year.

Ways to make your gift – choose an option that is right for you!

We are grateful for donations of all sizes. Participation in the program is more important than the dollars we raise. **Your gift in any amount is a vote of confidence in our organization and the work we do.**

We are happy to answer any questions you have. Call Lauren Galimi at 978-552-4927 or Christine Scaplen at 978-553-4525 for more information or assistance.

Payroll Deduction

Many employees find that they can more easily make a larger gift than they thought by spreading it out over the year with payroll deduction.

Sample Payroll Deductions

Per week pay period	Estimated annual impact	Total contribution over 3 years
\$1	\$52	\$156
\$2	\$104	\$312
\$5	\$260	\$780
\$10	\$520	\$1560
\$20	\$1040	\$3120

Naming opportunities and other recognition may apply to certain pledge levels for the Compassionate Journey campaign for Merrimack Valley Hospice House. We’d be happy to help you meet a specific gift amount and will let you know if your donation nears or reaches such a level.

Cash, Check and Credit Card

You can make a one-time gift using Visa, Mastercard, Discover or American Express.

Earned Time Donation

Earned time may be donated to fulfill a pledge. Please speak with us to coordinate this option of payment.
