Independent Living & Assistive Technology  
Services Massachusetts Rehabilitation  
Commission  
27 Wormwood St Boston, MA  
(617) 204-3851 x3623

- An excellent resource for patients and their families to access for locating and recycling technology items.
- Designed to facilitate simple, easy transactions between MA residents who can benefit from assistive technology devices and those who have assistive technology devices that are no longer needed.
- It is not for vendors or distributors to buy equipment, although vendor participation through donations of equipment or posting equipment for loans is welcomed.
- To post and item or to look at items available go to [www.getATstuff.org](http://www.getATstuff.org)
- You can also look at items available from the other neighboring states.

1- 800 323-6794

- SelfCareCentral was launched in an effort to help consumers solve problems associated with disability and to make more informed decisions related to health and fitness products.
- From the weekend-athlete coping with shin splints to those with disabilities trying to solve problems associated with access, mobility and daily living, you'll find our experience uniquely qualifies us to offer helpful solutions.
- The on-line "store" offers hundreds of products we've selected that are "tried and true" - products that are functional, easy-to-use and cost effective.
